ABOUT

Exam Sangram 2027

UPSC Prelims-cum-Mains Integrated Test Series

**“One Preparation Cycle. Two Stages.
Continuous Mentorship.”**

Exam Sangram 2027 is a comprehensive, fully online UPSC Prelims-cum-Mains Integrated Test Series by IAS Pass. The programme is designed for aspirants who want to prepare for Prelims and Mains together through a structured, test-driven approach, regular evaluation and personalised mentorship. Instead of treating Prelims and Mains as two separate journeys, Exam Sangram ensures that your preparation remains connected, consistent and exam-oriented from the very first day. Under the mentorship of Viraj C. Rane, the programme helps students build conceptual clarity, strengthen answer-writing skills and move systematically from sectional preparation to full examination readiness.

*“Same
Aspirations.
A Stronger
Preparation.”*

PROGRAMME AT A GLANCE

	Commences On	22 September 2026		Mode	Fully Online
	Batch Timing	As per Test & Mentorship Schedule		Mentorship	Personalised Mentorship
	Validity	Till UPSC Mains 2027		Language	English
	Evaluation	By Faculty		Programme Duration	36 Weeks (32 Weeks Core + 4 Weeks Prelims Mocks)

WHY THIS PROGRAMME?

Because UPSC Demands a Holistic Preparation.

Integrated Approach

Prepare for Prelims and Mains simultaneously through a structured plan.

Structured Progression

Move from part tests to full subject tests, revision tests and full-length mocks.

Guided Improvement

Regular faculty evaluation and personalised mentorship help you identify gaps and improve performance.

Exam Readiness

A complete preparation cycle covering Prelims, Mains, Essay and Current Affairs.

Why Choose Exam Sangram 2027?

Integrated Testing + Continuous Evaluation + Personalised Mentorship

A structured UPSC Prelims-cum-Mains preparation cycle designed to help aspirants test, analyse, improve and stay exam-ready.

Integrated Prelims + Mains Preparation

Prepare for both stages together through one connected testing and revision cycle.

Two Mains Tests Every Core Week

Build answer-writing consistency throughout the 32-week Core Phase.

Weekly Prelims Testing

Systematic practice through sectional and full-subject objective tests.

Faculty Evaluation

Get evaluated feedback to improve content, structure, analysis and presentation.

Personalised Mentorship

Refine your preparation with guided support from Viraj C. Rane.

Explanations + Model Answer Solutions

Every test becomes a learning and revision exercise, not just a score.

Essay Integration

Essay preparation remains active alongside General Studies and Prelims practice.

Current Affairs Applied Tests

Link contemporary issues with static syllabus themes in a focused way.

4 Full-Length Prelims Mocks

Complete GS Paper-I simulations build real exam temperament and speed.

Post-Prelims Mains Mock Phase

Transition smoothly into full-length GS Paper I, II, III and IV practice.

The Exam Sangram Advantage

One Preparation Cycle. Two Stages. Continuous Mentorship.

Fully Online

ABOUT

Programme Architecture

A structured integrated preparation cycle

One Preparation Cycle. Two Stages. Continuous Mentorship.

The Core 36-Week Cycle

BUILDING
EXAM-READINESS
STEP BY STEP

Core Phase Weeks 1–32

- Two Mains tests in every core-programme week
- One Prelims test every week
- Part-wise progression to full-subject testing
- Sectional, subject-wise and revision testing completed by Week 32

Prelims Mock Phase Weeks 33–36

- 4 full-length UPSC Prelims GS-I mocks
- 100 MCQs per mock
- 2-hour examination simulation
- Conducted in Weeks 33, 34, 35 and 36

Essay Track Integrated Throughout

- 13 Essay Tests
- Approximately every 20 days
- 2 essays in 3 hours
- One philosophical theme + one governance / socio-economic / science-related theme

Post-Prelims Mains Phase

4 Successive Weeks After the Preliminary Examination

Focused Mains preparation to convert prelims success into final results.

- Full-length GS Paper I, II, III and IV mocks
- GS I–III: 20 Questions | 250 Marks | 3 Hours
- GS IV: 13 Questions | 250 Marks | 3 Hours
- Conducted after the Preliminary Examination

Test Formats at a Glance

ABOUT

SUBJECT-WISE COVERAGE & PRELIMS–MAINS OVERLAP

How the integrated cycle distributes subjects across Prelims and Mains.

BUILDING
EXAM-READINESS
STEP BY STEP

Every subject is divided into 3 or 4 parts according to its breadth and closes with a cumulative full subject test.

Weeks 1–4 focus on common syllabus areas; Mains-exclusive subjects are introduced from Week 5.

Subject	Parts	Prelims Overlap	Mains Paper	Coverage Logic	Closure
Indian Polity	4	Yes	GS-II	Constitution, rights, institutions, federalism, local government	Full Subject Test
Indian Economy	4	Yes	GS-III	Macro economy, finance, inclusion, agriculture and infrastructure	Full Subject Test
History & Culture	4	Yes	GS-I	Ancient/medieval/culture, modern India, freedom struggle, post-independence/world	Full Subject Test
Geography	4	Yes	GS-I	Physical, Indian, human/economic and world geography	Full Subject Test
Environment & Ecology	3	Yes	GS-III	Ecology/biodiversity, governance/pollution, climate change	Full Subject Test
Science & Technology	3	Yes	GS-III	General science/health, applied technologies, emerging technologies	Full Subject Test
Indian Society	3	No	GS-I	Features/diversity, women/population/urbanisation, social tensions	Full Subject Test
Governance & Social Justice	3	Limited	GS-II	Accountability, civil services/policy, welfare/social sector	Full Subject Test
International Relations	3	Current Affairs Overlap	GS-II	Neighbourhood, powers/groupings, global issues/diaspora	Full Subject Test
Ethics, Integrity & Aptitude	4	No	GS-IV	Ethics, attitude/values, EI/thinkers, probity/case studies	Full Subject Test
Internal Security	3	Current Affairs Overlap	GS-III	Terrorism/extremism, borders/agencies, cyber/money laundering	Full Subject Test
Disaster Management	3	Limited	GS-III	Risk cycle, institutions/response, Indian case studies	Full Subject Test

Integrated logic: high-overlap subjects begin early; limited-overlap and Mains-exclusive areas are phased in progressively.

MAINS TEST SCHEDULE

Weeks 1–8

Two Mains Tests Every Core Week

DISCIPLINE
PRACTICE
PROGRESS
A BRIGHTER INDIA

The opening eight weeks establish the programme's Mains rhythm through Indian Polity and Indian Economy, while progressively bringing Indian Society and History & Culture into the cycle.
